Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
149,606,638 s	**+423,885 s**	**-5,095,117 s**	**144,935,406 s**

Date	Description	Amount (s)	Balance (s)
08 Aug	Temporal Health Plan	-23,877	149,582,761
	The dental practice at The Belt keeps the local week, so a claim filed on its seventh day is paid in the middle of ours. The plan has accepted the timing and asks that you not ask it to explain the week. Ref. CIBT-2999-E5A9-5		
19 Aug	ATM withdrawal: The Belt	-86,400	149,496,361
	The cash at The Belt is always counted out with a faint apology, and the apology has never once been in the sum. The concourse has asked that it be left off the statement, and it has been. Ref. CIBT-2999-0D82-3		
22 Aug	Transfer to own account: The Belt	-4,382,033	145,114,328
	Your statement called this a service charge. It was a service that had been charged, which is a different thing in the ledger and the same sum in your pocket. The description has been amended. The figure, 0.30 s, stands. Ref. CIBT-2999-8364-4		
27 Aug	Transfer to joint account	-602,807	144,511,521
	Rounding on the joint account comes to 0.971 s a period, which is never more than that and is printed at the foot of the statement. The Bank has no objection to the rounding, and neither, the Teller says, has the account. Ref. CIBT-2999-16D1-1		
31 Aug	Interest at 3.40% APY	+423,885	144,935,406
	Interest was posted in the afternoon, the hour the Teller says it is most usually received. It is 3.40% APY on a balance of 423,885, and the afternoon was fine. Ref. CIBT-2999-7F1E-4		

Closing balance, month by month

September 2998 August 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
