Opening balance	Credits	Debits	Closing balance
136,222,166 s	**+1,390,640 s**	**-4,824,479 s**	**132,788,327 s**

Date	Description	Amount (s)	Balance (s)
02 Jul	Payroll credit: Ganymede Heights Infirmary	+1,004,678	137,226,844
	Your wage was credited a day early at London Sector, because the firm's office there had decided that it would rather pay than explain. The Bank has taken the early day back out of the next wage, and the firm has asked that the next wage be early too. Ref. CIBT-3012-2368-9		
03 Jul	Transfer to joint account	-602,807	136,624,037
	Both halves of the transfer were paid on the 3rd, because the holders had asked the officer to keep them together. They are shown together, one under the other, in the same ink. Ref. CIBT-3012-5CBF-4		
08 Jul	Temporal Health Plan	-15,279	136,608,758
	A claim from London Sector was approved by a clinic whose working day begins at a different hour from ours. The clinic kept its door open an extra 37 minutes so that the consultation could be witnessed, and the witness has initialled the entry. Ref. CIBT-3012-C7DD-6		
21 Jul	Slippage fee (London Sector, 8 transfers)	-2,400	136,606,358
	An auditor's pencil mark sits beside the 21st line, where a figure was checked three times against three different clocks and came out the same each time. The mark is not a query. Ref. CIBT-3012-0469-9		
22 Jul	Transfer to own account: London Sector	-3,685,593	132,920,765
	A sundry raised in 3009 carries the date of the following year, because it was written in one and signed in the next. The officer says either date may be used, and the auditors have chosen the one that is easier to spell. Ref. CIBT-3012-F6FD-0		
23 Jul	ATM withdrawal: London Sector	-259,200	132,661,565
	You lean on the frame of the London Sector machine with one hand while it counts, as though it might change its mind. It has not yet done so. Ref. CIBT-3012-3C9C-0		
24 Jul	ATM withdrawal: London Sector	-259,200	132,402,365
	The machine dispenses in whole days and rounds your request to the nearest one, so a request for 3 Standard days that falls 0.983 of a day short is paid as the round figure. The difference is credited to you at the Head Office rate, and it has been credited every time. Ref. CIBT-3012-233B-6		
31 Jul	Interest at 3.40% APY	+385,962	132,788,327
	No early-closure charge applies, because the account was never closed. It was merely quiet for an afternoon, and the Bank does not fee quiet. Ref. CIBT-3012-C80D-7

August 3011 July 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
