Opening balance	Credits	Debits	Closing balance
180,965,441 s	**+4,067,797 s**	**-173,700 s**	**184,859,538 s**

Date	Description	Amount (s)	Balance (s)
01 Aug	Payroll credit: Phobos Drydock	+1,294,582	182,260,023
	The credit from Phobos Drydock was held a day at Vancouver Sector, which observes a festival on the 1st that the Bank does not. The money arrived the next morning and carries that morning's date, which is correct. Ref. CIBT-2970-95DF-8		
01 Aug	Slippage fee (Vancouver Sector, 1 transfers)	-900	182,259,123
	Two crossings on the same day were treated as one, because they went through the same relay, and the fee was rounded to a single whole second. The rounding is the Bank's; the seconds it saved are yours. Ref. CIBT-2970-1AAF-9		
02 Aug	Deposit: Hall E	+2,215,239	184,474,362
	Audit found 4 envelopes deposited on the 2nd were recorded as one, because they had been sealed together. Each has since been opened, counted and entered separately, and the total is exactly what it was. Ref. CIBT-2970-5321-3		
21 Aug	ATM withdrawal: Vancouver Sector	-86,400	184,387,962
	Phobos Drydock asks that its share of your withdrawal be recorded as a loan to you rather than a payment from you. The Bank has recorded it in pencil, to be checked at the year's end. Ref. CIBT-2970-E559-2		
29 Aug	ATM withdrawal: Vancouver Sector	-86,400	184,301,562
	A withdrawal of 86,400 at Vancouver Sector was logged on the 29th as made by a customer who was, that morning, at the Head Office signing a deposit. The Committee has agreed that both entries are true. Ref. CIBT-2970-7AF2-0		
31 Aug	Interest at 3.70% APY	+557,976	184,859,538
	The Tycho window pays interest by the lunar day, which runs slower than ours, so each statement here is a little older than the same month at Head Office. The Tycho officers say that a balance this patient is worth the wait, and they have seen a good many. Ref. CIBT-2970-EAE3-4

September 2969 August 2970

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
