Date	Description	Amount (s)	Balance (s)
06 Mar	Slippage fee (Montréal Sector, 9 transfers)	-2,700	186,223,739
	The relay's operator at Montréal Sector once held an account with the Bank under a name very like yours, and asks that the courtesy be kept with the account, which was the only one of the two ever to have been in credit. Ref. CIBT-2995-6625-8		
06 Mar	Event II restoration adjustment	-56,989	186,166,750
	Restoration adjustment under the Rider. Adjustments of this kind cannot be disputed until the Task Force has published its reasons. Ref. CIBT-2995-1E0B-9		
08 Mar	Transfer to own account: Montréal Sector	-5,996,870	180,169,880
	The Mars desk reckoned this sundry in sols, not Standard days, and asked for the difference to be carried in the local reckoning. The Bank carried it. The difference is 0.949, which is enough for a sol and of no help at all to a Standard day. Ref. CIBT-2995-A762-1		
09 Mar	Payroll credit: Phobos Drydock	+1,294,582	181,464,462
	The payroll office's suspense heading for Phobos Drydock was cleared this month. Its last entry dates from 2992 and reads simply: pay not claimed. It has now been claimed, and the heading is closed. Ref. CIBT-2995-8F72-8		
16 Mar	Lyric Licensing Desk	-90,398	181,374,064
	The clerk who took this renewal asked whether a verse had to be recited to be registered. The Desk said no, and the clerk has since asked again, to be sure. Ref. CIBT-2995-FB89-6		
31 Mar	Interest at 3.70% APY	+574,198	181,948,262
	The statement shows interest to the second. The balance itself is held to the tenth, so the figure printed is a rounding of the figure used. The difference goes to the Bank's favour in each month and to yours in each year, which is the arrangement the Bank describes as balanced. Ref. CIBT-2995-DC81-7		

Closing balance, month by month

April 2994 March 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
