Date	Description	Amount (s)	Balance (s)
06 Feb	Transfer to own account: London Sector	-3,643,158	125,551,070
	Paid to Odile Prendergast through this account on the 6th, with a note that reads only "for the rest of it". The Bank has forwarded the money and the note, and has no means of knowing what the rest is. Ref. CIBT-3000-9C6F-3		
10 Feb	ATM withdrawal: London Sector	-259,200	125,291,870
	The officer at Hall E asked whether the withdrawal of 3 Standard days was a purchase or a gift. On being told it was neither, the officer was satisfied that the sum had been recorded correctly as cash. Ref. CIBT-3000-49B1-9		
18 Feb	Slippage fee (London Sector, 2 transfers)	-1,800	125,290,070
	Your transfers went by light-speed courier, which keeps its own clock and charges slippage on the difference when it arrives. The courier has been asked to keep the difference small and has replied in writing that it is trying. Ref. CIBT-3000-0644-1		
28 Feb	Interest at 3.70% APY	+398,348	125,688,418
	You have left the interest on deposit for 4 consecutive periods without once checking the figure before the statement arrived. The branch takes this as a compliment, and the statement is now sent with a little less ceremony. Ref. CIBT-3000-C09B-3		

Closing balance, month by month

Highest 177,462,439 s · lowest 125,688,418 s

March 2999 February 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
