Date	Description	Amount (s)	Balance (s)
04 May	Slippage fee (Lagos Sector, 3 transfers)	-900	138,256,429
	Auditors checked the 3 crossings on this account against both clocks and found the fee correct to the second. The one figure they could not account for was their own, which they have since corrected. Ref. CIBT-3003-6DA3-6		
19 May	ATM withdrawal: Lagos Sector	-172,800	138,083,629
	Note to the auditors: the 2 Standard days withdrawal at Lagos Sector was entered twice in the first run of the month, once from the machine and once from the relay's copy. The duplicate has been struck, and the account has not been charged twice for the same cash. Ref. CIBT-3003-A51B-1		
25 May	Payroll credit: Phobos Drydock	+1,294,582	139,378,211
	Your wages from Phobos Drydock have been paid into this account since 3001, and the amount has moved twice, once up and once up again. The Teller has noticed the pattern and has declined to say whether she expects it to continue, which she considers a matter for the employer. Ref. CIBT-3003-0753-5		
30 May	Transfer to own account: Lagos Sector	-468,023	138,910,188
	The Bank converts a sundry from days by taking the posted rate to four places and rounding to two. A charge that began as a whole number may therefore end a second short of where it began, which is the rule and not an error. Ref. CIBT-3003-D485-7		
31 May	Interest at 3.70% APY	+426,293	139,336,481
	Interest is posted to the whole second and never to a fraction. A balance that earns 0.979 of a second a day is not credited each day, but accumulates until it makes a second, which it does on the 31st, in your favour. Ref. CIBT-3003-3C1A-0
