| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 04 Oct | Slippage fee (Delhi Sector, 6 transfers) | -5,400 | 192,019,025 |
| | When the crossings to Delhi Sector come to an odd number of seconds, the odd second is paid by whichever transfer was sent last, so the last transfer of the day pays for the day. You have sent it last every month since 3008 and have never once remarked on the arithmetic. Ref. CIBT-3012-85D9-2 | | |
| 16 Oct | ATM withdrawal: Delhi Sector | -172,800 | 191,846,225 |
| | Where a withdrawal falls between two whole days the machine pays the lower and reports the higher. The Bank has posted the lower, which is the sum you received, and keeps the higher on the machine's own roll. Ref. CIBT-3012-9F30-4 | | |
| 19 Oct | Payroll credit: Phobos Drydock | +1,294,582 | 193,140,807 |
| | For the auditors: this wage came from a remittance whose payroll number is already on the register under another employer's name. The sum agrees and the employer does not, so the entry has been kept on Phobos Drydock's side and the register note left as found. Ref. CIBT-3012-8462-0 | | |
| 19 Oct | Transfer to own account: Delhi Sector | -3,670,471 | 189,470,336 |
| | The fee for the parcel was worked out on its weight in seconds. The parcel came to 32 and a fraction; the fraction was rounded up, as parcels are, and the 0.943 difference has been returned to the sender's account. Ref. CIBT-3012-0072-9 | | |
| 31 Oct | Interest at 3.70% APY | +592,075 | 190,062,411 |
| | Interest on this account is entered in the Delhi Sector branch's own book and copied back to Head Office within the day. The branch calls the copy a courtesy and Head Office calls it a second opinion, and the two have never been asked to settle which. Ref. CIBT-3012-BECC-7 | | |

November 3011 October 3012

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
