Opening balance	Credits	Debits	Closing balance
18,355,463 s	**+219,750 s**	**-523,077 s**	**18,052,136 s**

Date	Description	Amount (s)	Balance (s)
13 May	Slippage fee (Lagos Sector, 9 transfers)	-8,100	18,347,363
	Slippage here runs 2,400 seconds below the branch average. The auditors checked it against the relay's log, the Head Office's and the branch's own estimate, and found all three in agreement. They have asked that the agreement be kept and not examined. Ref. CIBT-2991-2121-1		
24 May	Transfer to own account: Lagos Sector	-255,777	18,091,586
	Exact coins, counted on the counter in rows of five, are how your sundries are paid, and the officer has stopped counting them back, on the understanding that the rows are the receipt. Ref. CIBT-2991-943A-8		
29 May	Payroll credit: St. Catherine Bakeries	+167,743	18,259,329
	The St. Catherine Bakeries credit on your last statement was entered twice, once when it was sent and once when it arrived. Only the second entry belongs to this period, and the first has been removed. Ref. CIBT-2991-11C0-6		
30 May	ATM withdrawal: Lagos Sector	-259,200	18,000,129
	The machine at Lagos Sector recorded this withdrawal under the next holder's number, which ends in the same four digits as yours. The receipt was reissued with yours on it, and the other line has been cleared. Ref. CIBT-2991-E90D-5		
31 May	Interest at 3.40% APY	+52,007	18,052,136
	You check the interest against Lagos Sector by relay before the local office has posted it, every time, and every time the two figures agree. The officers have come to rely on your check as much as on the posting itself. Ref. CIBT-2991-C2B0-4		

Closing balance, month by month

June 2990 May 2991

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
