Period 1–28 February 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
20,446,071 s	**+1,874,526 s**	**-432,000 s**	**21,888,597 s**

Date	Description	Amount (s)	Balance (s)
18 Feb	Payroll credit: St. Catherine Bakeries	+167,743	20,613,814
	St. Catherine Bakeries pays on the 18th of the month, or on the day after if that is a rest day for its office. The credit has never once been posted on the rest day itself, which the Bank finds reassuring. Ref. CIBT-3003-2325-2		
20 Feb	ATM withdrawal: Mars Station	-172,800	20,441,014
	Your access code was reset at the Hall E counter at your request, and the machine has been told that the old one was a habit. Ref. CIBT-3003-97AF-5		
21 Feb	ATM withdrawal: Mars Station	-259,200	20,181,814
	You take sols from the machine at Mars Station rather than from the counter, always the smallest denomination it offers. The officer at Hall E asked whether this is a preference or a rule. You said it was a habit, which is the same thing with less paperwork. Ref. CIBT-3003-8996-2		
23 Feb	Deposit: Hall E	+1,648,853	21,830,667
	The Bank does not take fractions of a second on deposit. The 0.966 that came in with your envelope has been kept by the counter, and the officer has noted it on the slip in pencil, as a courtesy. Ref. CIBT-3003-A489-8		
28 Feb	Interest at 3.40% APY	+57,930	21,888,597
	You keep a figure in pencil on the back of each slip and check the interest against it before the statement is opened. The two have agreed for 6 years. The officers no longer ask to see the pencil and have begun to ask after the lead. Ref. CIBT-3003-CAD2-8		

Closing balance, month by month

Highest 21,888,597 s · lowest 16,127,305 s

March 3002 February 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
