Period 1–30 June 2999
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
495,001,827 s	**+3,855,785 s**	**-4,828,648 s**	**494,028,964 s**

Date	Description	Amount (s)	Balance (s)
05 Jun	Payroll credit: Harbourfront Shipping	+2,205,779	497,207,606
	You draw your wage in coin on the day it arrives, and spend the first coin before the second has been counted. The Bank has never found out what the first coin bought, and has stopped asking. Ref. CIBT-2999-64B5-6		
12 Jun	Transfer to own account: Mars Station	-4,652,848	492,554,758
	Rounded to the nearest 38 seconds at the holder's request, so that the sum could be said aloud at the window. The Bank has complied, though it remains of the view that a sum this size needs no help in being said. Ref. CIBT-2999-93F1-8		
13 Jun	ATM withdrawal: Mars Station	-172,800	492,381,958
	An earlier line showed the withdrawal at Mars Station as 2 Standard days. The machine had paid out 0.941 sol, which is the figure it uses, and the line has been re-entered in that unit so that the two agree. Ref. CIBT-2999-9E34-0		
16 Jun	Slippage fee (Mars Station, 5 transfers)	-3,000	492,378,958
	A standing order for 5 crossings a fortnight has been checked by the relay's auditors and found to be in order. The fee of 3,000 seconds is unchanged, and the auditors' note that it is the only one of its kind on the register has been filed. Ref. CIBT-2999-9143-0		
30 Jun	Interest at 4.00% APY	+1,650,006	494,028,964
	Note for the auditors: interest on this account was calculated to the tenth of a second for the first period and to the whole second thereafter. The two methods agree on the total to within 16 seconds, which the auditors have accepted as the price of changing method. Ref. CIBT-2999-331A-7		

Closing balance, month by month

July 2998 June 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
