Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
0 s	**+884,498 s**	**-506,079 s**	**378,419 s**

Date	Description	Amount (s)	Balance (s)
06 Dec	ATM withdrawal: Bronx Sector	-172,800	-172,800
	Your standing draw is pre-authorised at Bronx Sector for the 6th of each month. The machine has been installed longer than its custodian, and the custodian says it has never once asked to be authorised again. Ref. CIBT-2986-5F0F-8		
11 Dec	Transfer to joint account	-74,079	-246,879
	The joint account has been through 7 reviews without a question about its name. The schedule lists it under the holders' surnames, which the compiler describes as the more accurate of the two. Ref. CIBT-2986-443C-9		
15 Dec	ATM withdrawal: Bronx Sector	-259,200	-506,079
	The cashier at Hall E asked whether you had counted the notes yourself at the machine. You had, twice, and she said it was the only sensible thing anyone at the concourse had done all week. Ref. CIBT-2986-9C77-1		
20 Dec	Deposit: Hall E	+761,033	254,954
	The courier who brought the envelope asked for a receipt for the envelope rather than for the deposit. The counter gave him both, and he seemed relieved to have the one he wanted. Ref. CIBT-2986-08C2-8		
29 Dec	Payroll credit: Kepler Ring Hydroponics	+123,465	378,419
	The Kepler Ring Hydroponics credit posted to 8564-2001-5708 came to 123,465 after rounding, although the payslip gives the figure to four places. The payroll office has reprinted the payslip so that the two agree, and the reprint is filed with this statement. Ref. CIBT-2986-5CD1-4		
31 Dec	Interest at 3.60% APY	+0	378,419
	A balance above 0 earns the posted rate, and a balance below it earns a slightly lower one. The difference is the Bank's rounding and not its opinion. Your balance falls 0.976 short of the threshold. Ref. CIBT-2986-C41F-5		

Closing balance, month by month

Highest 378,420 s · lowest 378,419 s

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
