| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 13 May | Slippage fee (Nairobi Sector, 7 transfers) | -4,200 | 2,319,405 |
| | Transfers you make at dawn cost less than those made at noon, a fact you learned from the posted rates in 2986 and have acted on since. The officer says the lesson was well learned and mentions it at each quarter's close. Ref. CIBT-2987-34BB-3 | | |
| 18 May | ATM withdrawal: Nairobi Sector | -86,400 | 2,233,005 |
| | You ask the machine for 34 notes each time and then ask the counter for the change in one, and the machine has not once been asked to explain this. Ref. CIBT-2987-D476-7 | | |
| 23 May | Transfer to joint account | -74,079 | 2,158,926 |
| | The 8564-2788-9303 share came from Kepler Ring Hydroponics a day ahead of the usual date, with a covering note in the employer's own hand that reads only "for the pair of you". The note has been filed with the mandate. Ref. CIBT-2987-BEF1-2 | | |
| 23 May | Deposit: Hall E | +936,380 | 3,095,306 |
| | A Positive Contact visitor paid this deposit in a unit the Bank has not yet had to name, and the officer converted it to days at the counter by a method the visitor described as obvious. The conversion is shown on the slip, and the method has been kept on file. Ref. CIBT-2987-313C-6 | | |
| 25 May | ATM withdrawal: Nairobi Sector | -172,800 | 2,922,506 |
| | The machine could not find the 35 minutes you asked for and has rounded the withdrawal to the nearest five, the Bank having decided some years ago that minutes are to be found in multiples of five. The difference has been returned to the account as a small kindness. Ref. CIBT-2987-BE21-2 | | |
| 30 May | Payroll credit: Kepler Ring Hydroponics | +123,465 | 3,045,971 |
| | The Teller asked whether the wage was for the month or for the work. The cashier said both, and the Teller has entered it under both. Ref. CIBT-2987-8528-3 | | |
| 31 May | Interest at 3.60% APY | +6,970 | 3,052,941 |
| | You check the interest against the posted rate on the first working day of each month, and then again at the counter. The officer has begun to read the rate back before you ask, and you look at the figure in the usual way, which is once. Ref. CIBT-2987-92EF-4 | | |

December 2986 May 2987

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
