| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 11 Feb | ATM withdrawal: Luna | -172,800 | 8,540,407 |
| | You have used the machine at Luna on the 11th of every month since it was installed, each time taking the same denomination and walking away before the receipt had finished printing. The officer on the concourse has come to regard this as a settled routine. Ref. CIBT-2989-C187-7 | | |
| 17 Feb | Transfer to joint account | -74,079 | 8,466,328 |
| | "Both signatures, please," the Teller says, "or one, and I will assume the other is in the car." The car has not been mentioned again. Ref. CIBT-2989-C8C1-9 | | |
| 25 Feb | Slippage fee (Luna, 2 transfers) | -1,200 | 8,465,128 |
| | Crossings to Mars are paid in Standard days by the Head Office and in sols by the Mars office. The fee shown here is the Head Office's share; the Mars office sends its own figure a month later, by the slower post. Ref. CIBT-2989-4CFB-5 | | |
| 25 Feb | Deposit: Hall E | +611,452 | 9,076,580 |
| | Io's window takes deposits through a hatch the colour of the vents, and the envelope is wiped down with a cloth before the Teller will touch it. The sum was counted in gloves and found to agree with the slip, which the Io office says is its own kind of miracle. Ref. CIBT-2989-0783-0 | | |
| 27 Feb | Payroll credit: Kepler Ring Hydroponics | +123,465 | 9,200,045 |
| | The conversion fee on this credit is waived. Kepler Ring Hydroponics pays its people in days and converts them itself, and the Bank has been asked to leave the arithmetic where it is. Ref. CIBT-2989-8632-1 | | |
| 28 Feb | Interest at 3.60% APY | +26,139 | 9,226,184 |
| | The statement was held at Hall E for 29 days while the posted rate was read aloud at the window. It was read twice, by two officers who had not been told about each other, and both readings agreed. Ref. CIBT-2989-B7AC-3 | | |

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
