Soren Blackwood
Unit 20, Pallas Ring 10

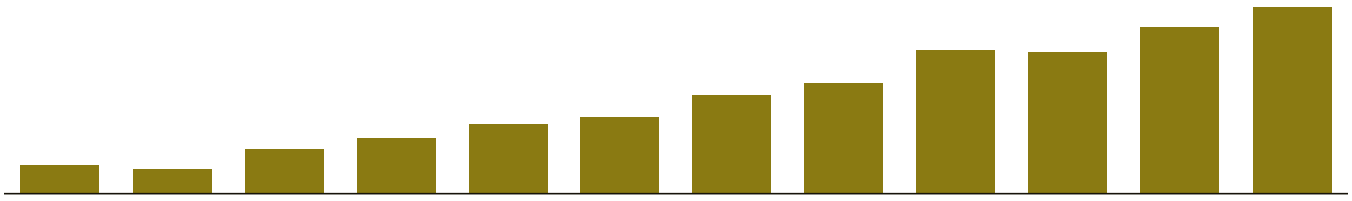

Account 8564-2001-5708
Period 1–30 September 2991
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
16,590,626 s	**+916,954 s**	**-74,979 s**	**17,432,601 s**

Date	Description	Amount (s)	Balance (s)
06 Sep	Payroll credit: Kepler Ring Hydroponics	+123,465	16,714,091
	Your wage was credited a day early at Callisto, because the firm's office there had decided that it would rather pay than explain. The Bank has taken the early day back out of the next wage, and the firm has asked that the next wage be early too. Ref. CIBT-2991-126D-4		
16 Sep	Transfer to joint account	-74,079	16,640,012
	The reference typed on the transfer to 8564-2788-9303 is the two holders' initials and the word "share". It has been typed the same way for 2 years, the second initial a little larger each time. Ref. CIBT-2991-7844-8		
22 Sep	Slippage fee (Callisto, 3 transfers)	-900	16,639,112
	A cart ran over the cable that carries the Callisto signal on the 22nd, and the transfers waited 29 days for the splice. The splice was done neatly enough to be missed, which the Bank records as a courtesy to the cable. Ref. CIBT-2991-80BC-0		
25 Sep	Deposit: Hall E	+743,718	17,382,830
	A second deposit of the same amount was credited to this account on the 25th, from a branch that has no record of making it. The credit is held in suspense, and the Bank has written to the depositor, who has not yet written back. Ref. CIBT-2991-BA3C-2		
30 Sep	Interest at 3.60% APY	+49,771	17,432,601
	The interest on your last statement was printed at the Callisto rate and not the Head Office's, because the teller copied the rate from the notice on the wall. The notice has been corrected. The interest has been restated, and the difference of 45 seconds is shown as a credit below. Ref. CIBT-2991-C29D-5		

Closing balance, month by month

October 2990 September 2991

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
