Date	Description	Amount (s)	Balance (s)
03 May	Slippage fee (New Orleans Sector, 5 transfers)	-1,500	18,920,105
	Kepler Ring Hydroponics has asked the Bank to carry the slippage on its staff's transfers. The request is noted; your own 5 crossings are shown here as usual and are not part of it. Ref. CIBT-2996-E214-8		
05 May	Transfer to joint account	-74,079	18,846,026
	A note for the auditors: the transfer to 8564-2788-9303 was made by two people who signed separately and who appear, on the mandate, to have agreed on the amount before they agreed on anything else. Ref. CIBT-2996-903C-1		
08 May	Transfer to own account: New Orleans Sector	-728,509	18,117,517
	You asked whether the sundry could be backdated. The officer said it could not, then paused and asked which date you had in mind. It has been posted on the day you asked, which you both agreed was fair. Ref. CIBT-2996-A004-1		
14 May	ATM withdrawal: New Orleans Sector	-259,200	17,858,317
	The Teller has no complaint about the machine at New Orleans Sector. Her complaint is the queue behind it, which on Fridays contains the same tall man reading the same newspaper, and who has never once reached the front. Ref. CIBT-2996-AFBD-7		
16 May	Payroll credit: Kepler Ring Hydroponics	+123,465	17,981,782
	Wages from Kepler Ring Hydroponics are rounded to the nearest whole day, and where a sum falls exactly halfway the payroll office rounds to the even one. This month's half fell on the even side, which the office calls luck and the Bank calls the rule. Ref. CIBT-2996-54D5-4		
26 May	ATM withdrawal: New Orleans Sector	-259,200	17,722,582
	You never draw the same denomination twice in a row from the New Orleans Sector machine. The officers keep a short list of what you have drawn, and the list is complete, and it is the only list at the branch that anybody reads all the way through. Ref. CIBT-2996-C573-4		
31 May	Interest at 3.60% APY	+56,764	17,779,346
	The interest on a sum Kepler Ring Hydroponics advanced against next month's wages is charged at the rate on this line. The firm's office has asked that the rate be described as the firm's and not the Bank's. It is the Bank's, and the firm has been told so in the correct line. Ref. CIBT-2996-C7A9-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
