Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
15,229,529 s	**+709,935 s**	**-594,579 s**	**15,344,885 s**

Date	Description	Amount (s)	Balance (s)
05 Nov	ATM withdrawal: Venus	-259,200	14,970,329
	The officer on duty says the concourse was dry, the machine was dry and the notes were dry, and that you are the only customer anyone has known to ask whether the weather had been taken into account. Ref. CIBT-2996-7E3D-1		
07 Nov	Deposit: Hall E	+664,247	15,634,576
	You bring one coin more than the slip asks for, every time, and the officers have stopped trying to give it back. The coin is kept in a dish on the counter, which is nearly full, and the officers are discussing what it should be spent on. Ref. CIBT-2996-BBFA-5		
15 Nov	Transfer to joint account	-74,079	15,560,497
	The joint account's transfer to 8564-2788-9303 has been made 3 times in a row without a day's delay, and the officer has marked each one in the margin, in the same blue ink. Ref. CIBT-2996-28F8-0		
19 Nov	ATM withdrawal: Venus	-259,200	15,301,297
	The posting was held 29 Standard days because a trolley had been left across the concourse in front of the relay's hatch. The trolley was moved on the 19th, and the posting followed it. Ref. CIBT-2996-26CC-6		
22 Nov	Slippage fee (Venus, 7 transfers)	-2,100	15,299,197
	No fee on 7 crossings. The posted rate was printed in minutes for a fortnight before the sheet was corrected, and the Bank has charged nothing at the rate that was never in force, which it considers the only honest way to have been wrong. Ref. CIBT-2996-71C6-3		
30 Nov	Interest at 3.60% APY	+45,688	15,344,885
	You have been asked at every statement since 2991 whether you would like the interest sent to your own address instead of kept on the card. You have said "in the account" every time, in the same words, and the question has been withdrawn each time with thanks. Ref. CIBT-2996-DE46-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
