Opening balance	Credits	Debits	Closing balance
16,138,091 s	**+792,233 s**	**-352,539 s**	**16,577,785 s**

Date	Description	Amount (s)	Balance (s)
03 Mar	Lyric Licensing Desk	-104,460	16,033,631
	The licence certificate had its registration number misprinted. The Desk has reissued it, and the number on the certificate is now the one on the register; the fee was never in question. Ref. CIBT-2997-85FA-3		
13 Mar	Transfer to joint account	-74,079	15,959,552
	Kepler Ring Hydroponics held the joint transfer for 30 days, because its share came in a sealed envelope and the firm wished it opened in front of both holders. They attended, and the envelope was slit at the counter with a knife the officer keeps for that purpose. Ref. CIBT-2997-8FA7-5		
20 Mar	ATM withdrawal: Vancouver Sector	-172,800	15,786,752
	The machine's log for the 20th was checked against the custodian's count and this statement. All three agree to the unit. The one entry marked unusual records only that the cash was counted in daylight. Ref. CIBT-2997-6145-7		
22 Mar	Slippage fee (Vancouver Sector, 2 transfers)	-1,200	15,785,552
	The Teller would like it recorded that the seconds were never hers to lose, and that she has not been able to find out whose they were. Ref. CIBT-2997-4E8C-3		
29 Mar	Deposit: Hall E	+743,819	16,529,371
	Deposit by cheque, drawn on a branch closed in 2993. The cheque was honoured at the rate of the day, and the Teller asks us to record that it is the only cheque she has seen that carried a date already past. Ref. CIBT-2997-63FE-3		
31 Mar	Interest at 3.60% APY	+48,414	16,577,785
	The interest waited 29 days for the branch to confirm the balance with Head Office, which takes that long when the two have not spoken. They have now agreed, and the figure is correct. Ref. CIBT-2997-E998-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
