Soren Blackwood
Unit 214, Pallas Ring 10

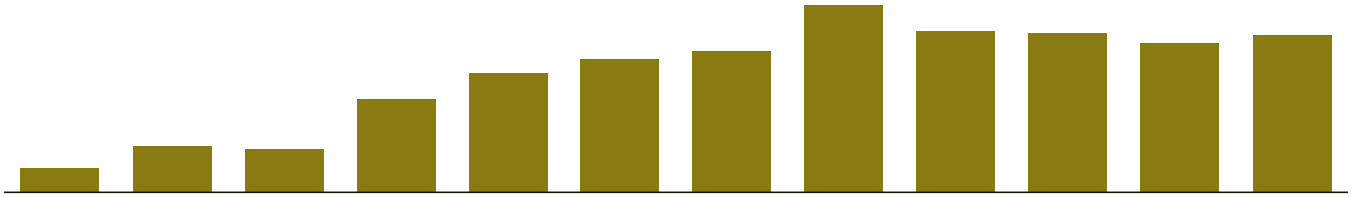

Account 8564-2001-5708
Period 1–31 January 2998
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
18,608,480 s	**+578,892 s**	**-420,579 s**	**18,766,793 s**

Date	Description	Amount (s)	Balance (s)
05 Jan	Deposit: Hall E	+399,602	19,008,082
	Every envelope you bring in is sealed in the same order you sealed the one before, and the order is written on the back of the statement where anyone may check it. The officers have stopped checking and simply initial the foot. Ref. CIBT-2998-60DC-7		
10 Jan	Payroll credit: Kepler Ring Hydroponics	+123,465	19,131,547
	Wages from Kepler Ring Hydroponics for the period ending on the 10th of the month. The employer's payroll office files in its own local time, which is why this credit appears to arrive before it was sent. It did not; see clause 1.2 of your terms. Ref. CIBT-2998-9B19-9		
10 Jan	ATM withdrawal: Kepler Ring	-86,400	19,045,147
	The line for 86,400 at Kepler Ring was entered twice, once by the machine and once by the branch that reconciled it. One line is correct and the other has been struck. The balance is what it was before either was written. Ref. CIBT-2998-6EF8-9		
10 Jan	Slippage fee (Kepler Ring, 1 transfers)	-900	19,044,247
	The crossing waited 29 days because the Settlement Reserve audited its own reserve before it would release the seconds to the relay. The audit found the reserve in order, as it always does, and the seconds went across on the 10th. Ref. CIBT-2998-6ABE-4		
13 Jan	Transfer to joint account	-74,079	18,970,168
	The joint transfer on the 13th was delayed 31 days by a rail strike at Kepler Ring. The holders have asked that the strike be entered as a fact of the timetable, not a fault of the account, and the Bank has so entered it. Ref. CIBT-2998-D005-7		
18 Jan	ATM withdrawal: Kepler Ring	-259,200	18,710,968
	The withdrawal waited 42 minutes behind a customer who was counting coins into a bag and had reached a sum the machine could not take. The bag was counted again, the machine took the sum, and yours was served after. Ref. CIBT-2998-D636-7		
31 Jan	Interest at 3.60% APY	+55,825	18,766,793
	No fee has been taken on this account in its first 29 days, since a depositor should not be asked to pay for a rate that has not yet been paid out. Ref. CIBT-2998-005E-8		

Closing balance, month by month

February 2997 January 2998

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
