Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
8,094,775 s	**+147,749 s**	**-969,589 s**	**7,272,935 s**

Date	Description	Amount (s)	Balance (s)
14 Jul	Payroll credit: Kepler Ring Hydroponics	+123,465	8,218,240
	A deduction of 123,465 for a staff canteen that closed in 3000 is still taken from the wage on the 14th. The canteen's last manager writes each spring to say that the lunches are still in the books, and the firm has agreed that they are. Ref. CIBT-3004-3C9F-4		
14 Jul	Transfer to own account: London Sector	-809,110	7,409,130
	A sundry of 8 seconds has been raised against an account with no holder's name, as a service to whoever holds the number. The fraud department has asked that the service be described, and the Bank has described it as a sundry, which it is not. Ref. CIBT-3004-6970-3		
23 Jul	ATM withdrawal: London Sector	-86,400	7,322,730
	Replacing the machine at London Sector on the 23rd changed its unit: the new one counts in days where the old one counted in halves. Your withdrawals before and after the change have been converted at the rate of the day, and the total is unchanged. Ref. CIBT-3004-2399-4		
25 Jul	Transfer to joint account	-74,079	7,248,651
	The holders came in together to sign the joint mandate, then stood at the counter for some time deciding which of them would sign first. The Teller offered to toss a coin for it. Both declined, and signed side by side on the same line, which the mandate does not require and the Bank accepted. Ref. CIBT-3004-C20D-2		
31 Jul	Interest at 3.60% APY	+24,284	7,272,935
	Posted to the second floor by mistake, where the account's file had been taken for a reading, the interest was brought down with the file when the reading was finished. The reading found nothing that was not already on the page. Ref. CIBT-3004-BBC4-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
