Period 1–30 November 3004
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
6,820,005 s	**+20,460 s**	**-263,620 s**	**6,576,845 s**

Date	Description	Amount (s)	Balance (s)
07 Nov	Slippage fee (Lagos Sector, 7 transfers)	-6,300	6,813,705
	Your employer rounds its own slippage to the hour and passes the difference to you, which this month came to 1,800 seconds. It will appear on the next line of your statement, where the Bank has taken care to put it. Ref. CIBT-3004-66C6-8		
13 Nov	Transfer to joint account	-74,079	6,739,626
	Both holders draw their share of the joint savings line at Lagos Sector in days. The local office has asked the Bank to say that the day is not a discount on the Head Office figure; it is simply the local one. Ref. CIBT-3004-EBF7-9		
14 Nov	Transfer to own account: Lagos Sector	-96,841	6,642,785
	Carried from Lagos Sector by the freight relay, where the item was rounded to the whole day before it left. The courier has been paid for the 0.959 it carried and has asked nothing in return. Ref. CIBT-3004-CFA8-7		
23 Nov	ATM withdrawal: Lagos Sector	-86,400	6,556,385
	Auditors checked the cash in the Lagos Sector machine against its log and found the two in agreement to the note. They have entered the machine's clock as a separate item, which the machine has asked them to keep brief. Ref. CIBT-3004-3A6B-5		
30 Nov	Interest at 3.60% APY	+20,460	6,576,845
	For one month, at the request of Kepler Ring Hydroponics, your interest was paid into the firm's own account so that its treasury could see what a depositor's second looks like in practice. The treasury returned it on the 30th with a note of thanks and no comment on the figure. Ref. CIBT-3004-0AB7-3

December 3003 November 3004

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
