Opening balance	Credits	Debits	Closing balance
14,668,560 s	**+167,470 s**	**-196,121 s**	**14,639,909 s**

Date	Description	Amount (s)	Balance (s)
09 Oct	Transfer to joint account	-74,079	14,594,481
	A monthly transfer of 74,079 to 8564-2788-9303 has run since 3004 from a joint account whose two holders have never once asked which of them is paying for the ink. The Bank regards the question as having been answered by the ink. Ref. CIBT-3007-73BE-3		
11 Oct	Slippage fee (Bronx Sector, 1 transfers)	-600	14,593,881
	Slippage fee of 0.30 seconds per crossing, rounded up to the next whole second on each transfer. The rounding is in the Bank's favour and is printed here so that it is not a secret. Ref. CIBT-3007-E27B-2		
12 Oct	Payroll credit: Kepler Ring Hydroponics	+123,465	14,717,346
	The Teller reads the Kepler Ring Hydroponics figure aloud, then reads it again in case the first reading was a courtesy. It was not. The sum is 123,465, and both readings agreed, which is more than the remitter ever managed. Ref. CIBT-3007-3E0C-7		
13 Oct	Transfer to own account: Bronx Sector	-121,442	14,595,904
	Your standing instruction to move 121,442 to your own 8564-2001-5708 on the last working day of each quarter has now been carried out for 8 quarters running. You have never amended it, and the officers have stopped calling it an instruction and begun calling it a family tradition. Ref. CIBT-3007-6644-4		
31 Oct	Interest at 3.60% APY	+44,005	14,639,909
	The interest on 8564-2001-5708 was credited on the first morning of the period. That is a little before the depositor's own first morning at Bronx Sector, where the day begins 5 hours later. The depositor has made his own arrangements about the difference and has not complained of the early pay. Ref. CIBT-3007-D0B8-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
