Opening balance	Credits	Debits	Closing balance
15,465,166 s	**+169,860 s**	**-401,867 s**	**15,233,159 s**

Date	Description	Amount (s)	Balance (s)
03 Jan	Payroll credit: Kepler Ring Hydroponics	+123,465	15,588,631
	Your employer's office converted the wages to cycles before sending them, so the usual 0.30 seconds was not taken. The converted figure has been checked against the posted rate and found correct to the second. Ref. CIBT-3011-B598-9		
06 Jan	Transfer to own account: Titan	-326,588	15,262,043
	You have bought the same sundry item at the Titan counter every 6th for as long as the counter has stood there. Each time you ask for the receipt to be made out to yourself, though you are the only customer it could be made out to. Ref. CIBT-3011-FFBC-0		
20 Jan	Transfer to joint account	-74,079	15,187,964
	The mandate was held at Hall E for 30 days after one holder's name was corrected from an earlier spelling that the register had kept. The transfer was made on the 20th with the name as it now stands. Ref. CIBT-3011-CC65-8		
21 Jan	Slippage fee (Titan, 2 transfers)	-1,200	15,186,764
	At each crossing you ask the officer what the relay's clock says, and you write the answer on the back of your hand. The Bank does not object, though a hand is not an accepted ledger and the officer has said so, gently. Ref. CIBT-3011-D1A2-9		
31 Jan	Interest at 3.60% APY	+46,395	15,233,159
	Kepler Ring Hydroponics pays its staff interest on their balances at the local rate, and the amount shown is what it credited for the period. The employer's office asked that the figure not be rounded, and it has not been. Ref. CIBT-3011-9783-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
