Date	Description	Amount (s)	Balance (s)
07 Aug	Slippage fee (London Sector, 3 transfers)	-1,800	17,450,573
	The auditors have checked that each second on this line was charged once, and found one that was charged twice, once on arrival and once on departure. The Bank does not regard that as a double charge, since the second was not the same second on the way back. Ref. CIBT-3012-835A-3		
13 Aug	Transfer to joint account	-74,079	17,376,494
	Kepler Ring Hydroponics sends a note with its share of the joint transfer, saying the firm is pleased to contribute, and the Bank has put the note in the margin in the firm's own green. No fee is charged on it, the note not being a transfer. Ref. CIBT-3012-9978-3		
20 Aug	Transfer to own account: London Sector	-730,608	16,645,886
	The enquiry fee for 57 documents was not raised, because the file was already open on the desk and nobody had to go and find it. The Bank charges for finding things, not for things that have been found. Ref. CIBT-3012-2CC2-2		
25 Aug	ATM withdrawal: London Sector	-86,400	16,559,486
	The withdrawal on the 25th was printed as 86,400, which was a transcription error. The machine's log shows One Standard day, the figure now on this line, and the difference was never in the machine. Ref. CIBT-3012-FCD1-2		
27 Aug	Payroll credit: Kepler Ring Hydroponics	+123,465	16,682,951
	The staff scheme has paid the handling charge on your Kepler Ring Hydroponics wages as part of a benefit shown on the advice. No charge has come to your account, and the benefit is real; the scheme has left a copy of the form on file. Ref. CIBT-3012-5236-6		
31 Aug	Interest at 3.60% APY	+52,357	16,735,308
	A correction to the 31st line: the figure was copied from last period's worksheet, which had been pinned to the wrong month. The difference is 44 seconds, credited with the next line, and the sum was checked with a ruler, the ledger's columns having been pencilled over before it was posted again. Ref. CIBT-3012-F917-9
