Opening balance	Credits	Debits	Closing balance
18,446,852 s	**+178,805 s**	**-303,770 s**	**18,321,887 s**

Date	Description	Amount (s)	Balance (s)
04 Oct	ATM withdrawal: Ganymede	-86,400	18,360,452
	The custodian keeps the receipts in an envelope addressed in a dead aunt's hand, where the auditors have never thought to look. Ref. CIBT-3015-4031-1		
05 Oct	Payroll credit: Kepler Ring Hydroponics	+123,465	18,483,917
	Wages from Kepler Ring Hydroponics are rounded to the whole cycle on each payday. The 0.967 left over is carried to the next payday and rounded again, so that across a year the rounding pays out every second it owed. Ref. CIBT-3015-69E3-2		
05 Oct	ATM withdrawal: Ganymede	-86,400	18,397,517
	Ada Abernethy asked how long the balance had been wrong. The answer was that it had never been wrong, only held on the wrong line, and that the line is now corrected. Ref. CIBT-3015-112B-5		
16 Oct	Transfer to own account: Ganymede	-56,891	18,340,626
	The rate applied to this sundry was the rate of the previous quarter, which the teller noticed and reported to Vito Castellane. The difference of 0.30 seconds has been credited back to you in full, and the old rate has been withdrawn from the table it came from. Ref. CIBT-3015-87C3-0		
19 Oct	Transfer to joint account	-74,079	18,266,547
	Renewed nine times without a change of figure, the joint mandate was checked each time against the one before it, and the second holder's initials sit in the same place on all nine. The auditors ask that this be recorded as the single thing about the account that has never moved. Ref. CIBT-3015-287E-1		
31 Oct	Interest at 3.60% APY	+55,340	18,321,887
	Interest holds no opinions, the Teller remarks, and she has never yet seen a depositor argue with it successfully. Ref. CIBT-3015-8FC5-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
