Opening balance	Credits	Debits	Closing balance
14,328,705 s	**+166,451 s**	**-265,283 s**	**14,229,873 s**

Date	Description	Amount (s)	Balance (s)
02 Feb	Slippage fee (New Orleans Sector, 3 transfers)	-900	14,327,805
	Your employer's remittance crossed from New Orleans Sector on the 2nd, and the fee on it is charged to your account rather than to theirs. The employer's office has asked that the crossing be recorded as its own, and the Bank has recorded it as yours. Ref. CIBT-3018-B2B3-7		
07 Feb	Transfer to own account: New Orleans Sector	-190,304	14,137,501
	A sundry line from New Orleans Sector is written in the local word for an hour, which the Bank converts to days without comment. The conversion is at the local rate, and the word is printed in brackets so the station can recognise its own word on the page. Ref. CIBT-3018-BDB9-1		
10 Feb	Payroll credit: Kepler Ring Hydroponics	+123,465	14,260,966
	The largest single credit this branch has handled this year came from Kepler Ring Hydroponics. The Teller asks that it not be mentioned at the counter, and has said so in writing, which is the only instruction on your file that she has ever given that way. Ref. CIBT-3018-729B-2		
18 Feb	Transfer to joint account	-74,079	14,186,887
	Each month one of you sets out the pen and the other caps it, and the officer has stopped noticing which of you does which. Ref. CIBT-3018-6535-5		
28 Feb	Interest at 3.60% APY	+42,986	14,229,873
	Auditors' query on the 28th: the interest for 5 periods sums to the year's figure on the last page. The one second that does not appear there is listed separately as a rounding, in the depositor's favour. Ref. CIBT-3018-7956-3		

Closing balance, month by month

Highest 15,410,044 s · lowest 12,321,867 s

March 3017 February 3018

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
