Period 1–31 December 3019
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
12,277,034 s	**+510,300 s**	**-339,579 s**	**12,447,755 s**

Date	Description	Amount (s)	Balance (s)
08 Dec	ATM withdrawal: São Paulo Sector	-172,800	12,104,234
	Your standing withdrawal of 2 Standard days is drawn on the 8th of each quarter for a parking space at São Paulo Sector. The space is shown on the plan as reserved, and the Bank has never been able to find it. The machine has no opinion on the matter and pays regardless. Ref. CIBT-3019-4CEA-8		
10 Dec	Payroll credit: Kepler Ring Hydroponics	+123,465	12,227,699
	The Kepler Ring Hydroponics office on Mars posts its pay at the first light of the sol, which is the hour the Bank's own clock is least inclined to agree with it. The credit is entered at the Bank's hour, which the office says is the more polite choice. Ref. CIBT-3019-02CF-0		
16 Dec	Slippage fee (São Paulo Sector, 7 transfers)	-6,300	12,221,399
	The Audit Committee has asked that this slippage be read against the drift report for the same day. It agrees with the report to the second, and the report has been filed with it. Ref. CIBT-3019-F691-5		
17 Dec	Transfer to joint account	-74,079	12,147,320
	For the auditors: the joint line for 3015 was checked against the relay's copy, both counterfoils and the mandate, and all four agree on the sum. The relay's copy is the only one that rounds, which the auditors have asked us to record as a habit and not a finding. Ref. CIBT-3019-EDC9-6		
22 Dec	ATM withdrawal: São Paulo Sector	-86,400	12,060,920
	Asked to confirm the withdrawal at São Paulo Sector, you gave the same answer twice. The Teller describes this as the only sensible reply the machine has ever been given. Ref. CIBT-3019-C577-5		
22 Dec	Deposit: Hall E	+350,004	12,410,924
	You stand a little back from the window while the Teller counts, and step forward only when she has finished, a habit the counter has come to expect and not to question. Ref. CIBT-3019-0ACC-2		
31 Dec	Interest at 3.60% APY	+36,831	12,447,755
	Interest on the balance is paid in arrears, which means the Bank pays you for a period you have already forgotten. You remember it on the 31st and come to the window to say so, and the Teller says the Bank had remembered it first. Ref. CIBT-3019-F601-6		

Closing balance, month by month

January 3019 December 3019

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
