Opening balance	Credits	Debits	Closing balance
15,547,713 s	**+197,184 s**	**-718,489 s**	**15,026,408 s**

Date	Description	Amount (s)	Balance (s)
01 Mar	ATM withdrawal: New Orleans Sector	-86,400	15,461,313
	The machine at the Kepler Ring Hydroponics depot held the withdrawal for 44 minutes so that the night shift could be counted out first. The Bank regards the order as correct and the wait as the depot's, not yours. Ref. CIBT-3026-8FF6-3		
06 Mar	Transfer to joint account	-74,079	15,387,234
	One of you pays the transfer each month and the other checks the figure, and at the turn of each year you change places without saying so. The officer has noticed the rota and does not propose to publish it. Ref. CIBT-3026-7756-0		
08 Mar	New Time™ exchange	+27,076	15,414,310
	Holdings of New Time™ were valued at the recall rate to the whole day, and the balance below it was credited at the rate on the day of exchange. You may dispute the rate; the rounding is not open to dispute. Ref. CIBT-3026-4FB6-5		
09 Mar	Payroll credit: Kepler Ring Hydroponics	+123,465	15,537,775
	The employer's wages for 29 standard days arrive at the start of the month, because that is when its office begins its own. The employer apologises for the early hour. The Bank has no quarrel with the hour, only with the day it began on. Ref. CIBT-3026-D6D3-4		
17 Mar	Transfer to own account: New Orleans Sector	-366,280	15,171,495
	Each quarter you raise a sundry against your own account for 0.30 s, described as the desk's trouble, and each quarter the desk declines to say what the trouble was. The charge has been paid without a question every time, which the desk takes as a kind of thanks. Ref. CIBT-3026-6B58-2		
18 Mar	ATM withdrawal: New Orleans Sector	-86,400	15,085,095
	No charge is made for a withdrawal the machine declines to complete, and this one declined twice before the third attempt. The fee shown is for the third; the first two are not on the statement at all. Ref. CIBT-3026-9B57-4		
18 Mar	Slippage fee (New Orleans Sector, 2 transfers)	-1,800	15,083,295
	The slippage fee on the transfer of 2 seconds on the 18th was calculated against the Hall E clock rather than the Head Office clock. The branch clock was ahead by 58 hundredths of a second. The fee has been recalculated, and the statement shows the figure that applies. Ref. CIBT-3026-F798-1		
24 Mar	Lyric Licensing Desk	-103,530	14,979,765
	Your licence was transferred on the 24th to Ines Umberfield, at no charge, as the rules permit for a verse given at a family occasion. The Desk asks that the occasion be described on the next form, and that the verse be left out of it. Ref. CIBT-3026-BAD9-9		
31 Mar	Interest at 3.60% APY	+46,643	15,026,408
	The branch has no record of who first asked for interest to be calculated in seconds rather than days. The teller says it was a customer, and that the customer has since been paid. Ref. CIBT-3026-BC57-4

April 3025 March 3026

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
