Unit 322, Pallas Ring 10

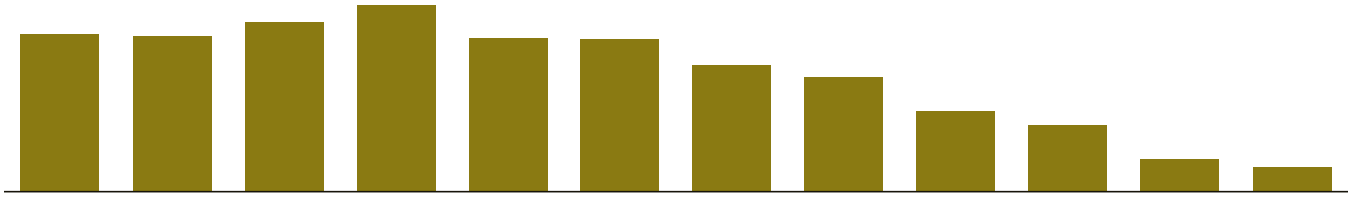

Account 8564-2001-5708
Period 1–31 August 3026
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
13,104,555 s	**+175,012 s**	**-333,279 s**	**12,946,288 s**

Date	Description	Amount (s)	Balance (s)
03 Aug	Transfer to joint account	-74,079	13,030,476
	Funds for the joint account arrived at Nairobi Sector a day early, because the local office sends its share on the eve of the due date. Nothing is charged for the day; it is the relay's way of being prompt. Ref. CIBT-3026-5FBE-1		
18 Aug	Payroll credit: Kepler Ring Hydroponics	+123,465	13,153,941
	Your pay was delayed 28 days because the employer's office was waiting for its own auditors, who were in another sector and expected to finish their session on the 18th. They finished, and the pay followed them. Ref. CIBT-3026-C923-8		
20 Aug	Deposit: Hall E	+12,234	13,166,175
	Auditors have traced this deposit through three ledgers and found it in each under a different name, the name changing each time the envelope passed a counter. The name on the envelope is the one the auditors have kept, and they have written the other two in the margin, politely. Ref. CIBT-3026-3779-1		
21 Aug	ATM withdrawal: Nairobi Sector	-259,200	12,906,975
	Correction explained: the receipt for your 3 Standard days withdrawal at Nairobi Sector gave the time as the machine's own clock, which was 3 seconds fast. The withdrawal is recorded at the branch clock, which is the one that counts for statements. Ref. CIBT-3026-5D97-6		
31 Aug	Interest at 3.60% APY	+39,313	12,946,288
	The staff bonus from Kepler Ring Hydroponics is paid into this account each spring. The firm's pay office books it as interest because it prefers the word, and the Bank has followed the firm's wording on the line and not the wording of the scheme. Ref. CIBT-3026-4F4C-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
