Date	Description	Amount (s)	Balance (s)
04 Dec	Transfer to own account: Singapore Sector	-4,724,379	45,342,276
	The Teller has entered this as "small, but ours", which is not a category the Bank recognises, and has left it on the statement regardless. Ref. CIBT-3003-BFCB-7		
09 Dec	Transfer to joint account	-211,666	45,130,610
	An auditor queried the opening mandate, which bears a signature from each holder in what looks like the same hand. The query was closed on the second look, which was the same as the first. Ref. CIBT-3003-9CC7-4		
15 Dec	Turbulence Cover	-22,632	45,107,978
	The Teller has compared the carrier's log with yours and found every delay on the policy accurate, which she describes as unusual for a policy of this kind. Ref. CIBT-3003-409F-5		
25 Dec	Slippage fee (Singapore Sector, 1 transfers)	-300	45,107,678
	Interworld Post pays its staff in days from Singapore Sector, and each month a slippage figure is printed on the pay line. This month's is 0.30 seconds, and the employer's office has asked that it be recorded under its own name. Ref. CIBT-3003-5212-0		
30 Dec	Payroll credit: Interworld Post	+352,777	45,460,455
	Nothing has been taken from the Interworld Post wage for counting. The envelope came in with the pension, and the Bank has never charged twice for one envelope, however many sums it holds. Ref. CIBT-3003-6233-4		
31 Dec	Interest at 4.60% APY	+191,922	45,652,377
	Interworld Post holds part of your pay in trust until the 31st, and interest on that part has been credited from the day it was held. The employer has been told the Bank does not keep such interest from the holder, and has said that it knows. Ref. CIBT-3003-A470-8
