Date	Description	Amount (s)	Balance (s)
17 Jan	Transfer to own account: Nairobi Sector	-21,408,338	250,290,569
	The Bank rounds sundry items to the nearest tenth of a second before rounding to the second, which is why this line is a little larger than the sum it was first entered as. Ref. CIBT-2995-A679-8		
18 Jan	Slippage fee (Nairobi Sector, 6 transfers)	-1,800	250,288,769
	A subscription to a planetary atlas is paid from this account each quarter and crosses to Nairobi Sector to reach its publisher, so the atlas costs more in seconds than in the Standard units it is priced in. The publisher has asked the Bank to reduce the fee, and the Bank has asked the publisher to reduce the atlas. Ref. CIBT-2995-12CE-2		
19 Jan	Temporal Health Plan	-31,196	250,257,573
	The auditors found this claim under two provider codes, each correct for a different half of the treatment. The plan has split the claim in two, paid each half separately, and left the total exactly where it was. Ref. CIBT-2995-92EB-9		
20 Jan	Mech Veterans' Time Pension	+1,261,782	251,519,355
	The Teller asked whether the veteran would like the pension paid in the old coins, which she said were very slightly less round. The veteran said roundness was not a term of the pension, and the coins were paid as usual, with the Teller's view noted. Ref. CIBT-2995-DED8-8		
31 Jan	Interest at 4.40% APY	+996,229	252,515,584
	The period's rate sheet was carried from Nairobi Sector by a courier who sat out a storm at the relay. The interest was paid on the day the sheet arrived, and the courier was paid the same afternoon, a fact he has asked us to record. Ref. CIBT-2995-2615-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
