Wren Szabo
Unit 78, Pallas Ring 10

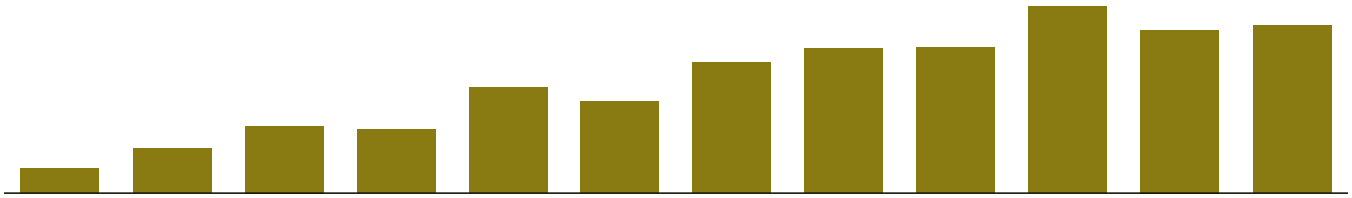

Account 8564-2139-8921
Period 1–28 February 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
690,193,924 s	**+4,108,478 s**	**-407,475 s**	**693,894,927 s**

Date	Description	Amount (s)	Balance (s)
07 Feb	Mech Veterans' Time Pension	+1,577,767	691,771,691
	Reading the schedule aloud, the Teller went through it twice, once in the usual voice and once more slowly, which she says is the correct way to hear a pension that has not changed. Ref. CIBT-3003-D91D-0		
07 Feb	Temporal Health Plan	-24,588	691,747,103
	The premium on a policy covering Phobos follows the local season, which is long, and the plan does not apologise for it. The surcharge is itemised separately, so it may be disputed by itself. Ref. CIBT-3003-7CF9-7		
14 Feb	Transfer to own account: Phobos	-289,287	691,457,816
	This item is one of forty-one sundry entries on this account this year. Each is documented, and the auditors have asked only that the documents be kept in the order they arrived. Ref. CIBT-3003-E2BB-9		
16 Feb	Slippage fee (Phobos, 8 transfers)	-7,200	691,450,616
	The 8 transfers this month were kept in the holding shelf beside the door for 28 Standard days while the relay's operator went for a replacement part that was not in stock. The operator has returned with it, and the transfers were released in the order they arrived. Ref. CIBT-3003-EB8A-4		
27 Feb	ATM withdrawal: Phobos	-86,400	691,364,216
	The Mars Station machine dispenses from a drawer kept at the low-gravity setting, so the notes come out slightly thicker and are counted twice at the window for that reason alone. Ref. CIBT-3003-CB01-8		
28 Feb	Interest at 4.40% APY	+2,530,711	693,894,927
	The charge for the late credit on this period has been waived. The interest was credited on time; the statement went out behind, and the Bank does not charge depositors for its own post. Ref. CIBT-3003-EE11-4		

Closing balance, month by month

March 3002 February 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
