Date	Description	Amount (s)	Balance (s)
07 Jul	Deposit: Hall E	+200,832	37,255,138
	The standing instruction is carried out in cash at the counter on the first working day of each month, as you asked, since the instruction has never been trusted with a whole sum. The Teller counts it in your presence and waits for you to confirm the total. Ref. CIBT-3003-0531-9		
19 Jul	Transfer to joint account	-144,320	37,110,818
	The transfer started at St. Catherine Bakeries's office at Nairobi Sector and was converted there before it reached the account. The office keeps the difference, and has asked the holders to decide among themselves what it should be spent on. Ref. CIBT-3003-65F7-0		
22 Jul	Slippage fee (Nairobi Sector, 9 transfers)	-8,100	37,102,718
	The statement counted the crossing from Nairobi Sector as a crossing to it. Both stations are printed on the same board, so the mistake is an easy one to make; the direction has been corrected and the fee is unchanged. Ref. CIBT-3003-72FC-0		
28 Jul	Payroll credit: St. Catherine Bakeries	+240,534	37,343,252
	The remittance slips from St. Catherine Bakeries are signed by a different clerk each month. Each clerk initials the sum the one before wrote, and the Bank reads the initials as a chain of agreement that goes back to 3002. Ref. CIBT-3003-A8CA-1		
31 Jul	Interest at 3.90% APY	+120,426	37,463,678
	You have never asked for the interest to be shown in another unit. The statement gives it in Standard Galactic Seconds, as it always has, and you have never objected to the unit. Ref. CIBT-3003-AE52-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
