Date	Description	Amount (s)	Balance (s)
03 Jun	Transfer to own account: Nairobi Sector	-899,694	83,811,941
	Your employer's coffee account, the Lagrange Four Commissary, was transferred to this statement by mistake and returned to the firm, which returned it to you. The sundry balance of 0.979 has been left where it fell, as the firm and the Bank have agreed neither of them needs to move it. Ref. CIBT-3010-BADB-1		
09 Jun	ATM withdrawal: Nairobi Sector	-172,800	83,639,141
	Each withdrawal you make at Nairobi Sector is followed, within the minute, by a second and much smaller one, which you do not collect. The machine has never been asked to explain it, and the Bank does not ask customers to justify what they leave in the slot. Ref. CIBT-3010-3BB7-4		
10 Jun	Payroll credit: the Lagrange Four Commissary	+329,097	83,968,238
	The Lagrange Four Commissary pays by its own calendar, which this year gave you two pay days in one month and none in the next. The office calls the arrangement balanced over the year, and the Bank has never been able to dispute the year. Ref. CIBT-3010-95BA-7		
21 Jun	ATM withdrawal: Nairobi Sector	-86,400	83,881,838
	The machine at Nairobi Sector dispenses in days and rounds the sum to the nearest whole one, so One Standard day came out as 0.953 day short of the figure on your card. The local custodian says the remainder is the station's, and that it has been kept safe. Ref. CIBT-3010-6E63-4		
28 Jun	Temporal Health Plan	-41,976	83,839,862
	Your cover moved from the Lagrange Four Commissary's scheme to a personal plan on the 28th, and the first premium was charged for the whole month. The plan has divided the sum between the two schemes and sent the scheme its share. Ref. CIBT-3010-FC70-6		
30 Jun	Interest at 3.70% APY	+261,194	84,101,056
	The line marked as interest was in fact a refund of a slippage fee, and the statement has been amended to say so. The amount was correct; its description was not. Ref. CIBT-3010-DD82-8		

Closing balance, month by month

July 3009 June 3010

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
