| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 09 Oct | ATM withdrawal: Singapore Sector | -259,200 | 61,251,417 |
| | The Singapore Sector machine asked for a second signature, which you gave, and then asked for a third, which you did not. The man on the concourse says the third is optional and that most customers find it so. Ref. CIBT-3014-FB4C-5 | | |
| 09 Oct | Temporal Health Plan | -41,083 | 61,210,334 |
| | Your premium was paid by the Lagrange Four Commissary under the benefits scheme. The amount shown is the amount the scheme pays, not the amount you would have paid, and the difference is kept by the scheme, which asks that it not be called a saving. Ref. CIBT-3014-FBA6-5 | | |
| 22 Oct | ATM withdrawal: Singapore Sector | -86,400 | 61,123,934 |
| | Each withdrawal is rounded up to the next full second of cash-time for the machine's charge, so 0.980 of a second on a draw of One Standard day costs as much as the whole second. The machine has been reprogrammed twice to stop doing this, and has twice resumed. Ref. CIBT-3014-3A13-6 | | |
| 22 Oct | Slippage fee (Singapore Sector, 3 transfers) | -1,800 | 61,122,134 |
| | The slippage shown last month was reckoned on a crossing to Singapore Sector, when the transfer went to Hall E. The two stations sit one crossing apart on the map, and the fee has been restated for the correct route, with the difference of 0.30 s credited. Ref. CIBT-3014-F19B-2 | | |
| 22 Oct | Deposit: Hall E | +996,852 | 62,118,986 |
| | Each deposit you make at the Hall E window arrives in a paper wrapper folded at both ends, the way the window taught you in 3013. You have never asked for the wrapper back, and the officers now unfold it without being asked. Ref. CIBT-3014-075E-5 | | |
| 23 Oct | Payroll credit: the Lagrange Four Commissary | +329,097 | 62,448,083 |
| | The Lagrange Four Commissary asked that this wage be sent with a note reading "with thanks for the last period". The note has been entered in the reference field, where it does not fit, and has been left there anyway. Ref. CIBT-3014-B5D3-8 | | |
| 31 Oct | Interest at 3.70% APY | +189,657 | 62,637,740 |
| | The second reviewer asked for this line to be rebuilt by a clerk who had not seen the first working. The two workings agree to the second, and the only difference between them is the clerk's margin. Ref. CIBT-3014-9B34-6 | | |

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
