Opening balance	Credits	Debits	Closing balance
55,742,458 s	**+180,100 s**	**-3,198,333 s**	**52,724,225 s**

Date	Description	Amount (s)	Balance (s)
10 Aug	Transfer to own account: Io	-3,000,529	52,741,929
	The Teller calls the sundry column the Bank's conscience, and says it is kept at the back, where nobody has to read it at the same time as the balance. Ref. CIBT-3019-47D5-3		
12 Aug	New Time™ exchange	+8,228	52,750,157
	Your exchange waited 29 days in the queue at Io, which had 16 holders ahead of you when you joined it and one more behind you when you were called. The office cannot shorten a queue, but it has added 2,100 seconds for your patience and calls this a courtesy. Ref. CIBT-3019-1D48-0		
17 Aug	Temporal Health Plan	-19,604	52,730,553
	Three months of receipts from this clinic were asked for by the auditors, and every one was dated correctly. They have asked the plan to record that, which it does here, with some surprise. Ref. CIBT-3019-6FAF-4		
19 Aug	Slippage fee (Io, 6 transfers)	-5,400	52,725,153
	Slippage on 6 crossings, charged at the rate in force. The Teller has added a note at the foot of your file that says "good luck", and has initialled it as a matter of record. Ref. CIBT-3019-09C7-2		
20 Aug	ATM withdrawal: Io	-172,800	52,552,353
	A withdrawal from a joint account was shown against the wrong holder. The machine recorded your name, as it should, and the statement now shows Uma Achterberg-Fairbrass as the other holder of the 2 Standard days taken for both. Ref. CIBT-3019-7A7A-5		
31 Aug	Interest at 3.70% APY	+171,872	52,724,225
	You come to the window on the 31st of each month to see the interest before the Teller reads it, and the Teller has begun to read it a shade more slowly, so that you may be right first. Ref. CIBT-3019-A529-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
