Unit 278, Pallas Ring 10

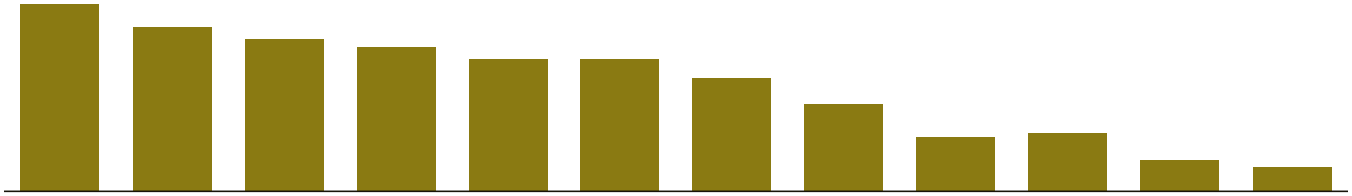

Account 8564-2175-5708
Period 1–31 July 3025
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
30,943,595 s	**+424,506 s**	**-1,219,553 s**	**30,148,548 s**

Date	Description	Amount (s)	Balance (s)
07 Jul	Temporal Health Plan	-43,515	30,900,080
	The provider's name on 8 of your sessions was spelled with one letter too few, and the plan's file followed the spelling. The provider has been matched to its correct listing, and the reimbursements were never at risk. Ref. CIBT-3025-7FC5-7		
16 Jul	ATM withdrawal: New Orleans Sector	-172,800	30,727,280
	Keyed in twice, the withdrawal on the 16th appeared once at New Orleans Sector and again a day later at Hall E. The second entry was a copy of the first and has been removed. Ref. CIBT-3025-CDBA-8		
20 Jul	ATM withdrawal: New Orleans Sector	-172,800	30,554,480
	Your withdrawal at New Orleans Sector is the last thing the machine does before the custodian goes off shift, and he waits for it with his coat on. He says it is the only transaction on the concourse he is paid to watch. Ref. CIBT-3025-1126-4		
22 Jul	Transfer to own account: New Orleans Sector	-830,438	29,724,042
	Charged by New Orleans Sector, which bills for the paper a transfer is written on, counted in days, that being the unit paper is counted in on that world. The Bank has converted the charge into seconds and returned the remainder to the office with a covering note. Ref. CIBT-3025-6AF4-3		
29 Jul	Payroll credit: the Lagrange Four Commissary	+329,097	30,053,139
	Your share of the Lagrange Four Commissary crew pay on New Orleans Sector came from the common purse, which pays each hand in turn and holds the rest for whoever is out on the line that month. You have been out on the line for 7 months, and the remainder is 329,097. Ref. CIBT-3025-4FD4-4		
31 Jul	Interest at 3.70% APY	+95,409	30,148,548
	Each spring the interest on your account is moved to a term deposit for 23 months and back again, a manoeuvre the officer performs with a sigh and a pencil. The sum is the same at both ends, and the Bank is glad to have been asked to make the journey. Ref. CIBT-3025-F1F1-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
