Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,042,471,298 s	**+8,530,553 s**	**-62,660,632 s**	**988,341,219 s**

Date	Description	Amount (s)	Balance (s)
05 May	Transfer to own account: Singapore Sector	-59,679,366	982,791,932
	The Bank rounds sundry items to the nearest tenth of a second before rounding to the second, which is why this line is a little larger than the sum it was first entered as. Ref. CIBT-2986-E380-1		
14 May	Payroll credit: the Lunar Freight Co-operative	+4,968,777	987,760,709
	Pay from the Lunar Freight Co-operative was held 29 days at the Singapore Sector exchange, where a bell rang that the clerk did not recognise. Nothing could be released until the bell was explained, and it was identified on the 14th as a fire-alarm test. Ref. CIBT-2986-B8B2-5		
17 May	Transfer to joint account	-2,981,266	984,779,443
	The joint transfer on the 17th was made before the interest was credited, so it fell 34 d 12:07:46 short. The interest has been paid across on a separate line, and the transfer is now shown at the figure the holders intended. Ref. CIBT-2986-7411-2		
31 May	Interest at 4.10% APY	+3,561,776	988,341,219
	Interest earned at the Moon office is paid across at the Moon's rate, and the lunar fortnight is counted as two periods rather than one. The statement has grown a second line to show the arithmetic, and the depositor has stopped asking why. Ref. CIBT-2986-9354-0		

Closing balance, month by month

June 2985 May 2986

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
