Date	Description	Amount (s)	Balance (s)
02 Aug	ATM withdrawal: London Sector	-86,400	462,778,857
	Audit note: the withdrawal at London Sector was authorised with the machine's own key. The key is held by the custodian and matches the custodian's signature, which the auditors have checked twice and found, each time, to be the same signature. Ref. CIBT-2991-2C9F-7		
07 Aug	Payroll credit: the Lunar Freight Co-operative	+4,968,777	467,747,634
	The Lunar Freight Co-operative credit was carried by a relay that no longer takes wages, and was brought to this branch by hand. The courier signed for it in capitals, as the office requires, and then asked for a receipt for the signature. Ref. CIBT-2991-8934-9		
07 Aug	Deposit: Hall E	+70,561,065	538,308,699
	For the auditors: the envelope was sealed by a depositor who has since moved to a branch on a shorter day, so its seal is dated by the day it was kept and not the day it was made. Both dates are filed, and the auditors have asked which one the clock would have kept. Ref. CIBT-2991-A880-8		
08 Aug	ATM withdrawal: London Sector	-172,800	538,135,899
	The machine at London Sector dispenses days from a drawer fitted before the station had its first oxygen plant, and nobody has asked it to change its stock. Your withdrawal was paid from that drawer, which the custodian describes as sound. Ref. CIBT-2991-B37D-3		
29 Aug	Transfer to joint account	-2,981,266	535,154,633
	You have never sent the joint transfer from the same branch twice in a row. The officer has noted that you alternate by the week, and the Bank regards this as a fair division of the counter. Ref. CIBT-2991-820C-4		
31 Aug	Interest at 4.10% APY	+1,581,456	536,736,089
	Your balance rose this month without any help from you, which the Teller describes as the only way it has ever risen for anyone. She has asked that this be printed, and it has been. Ref. CIBT-2991-6A87-3
