Unit 128, Pallas Ring 10

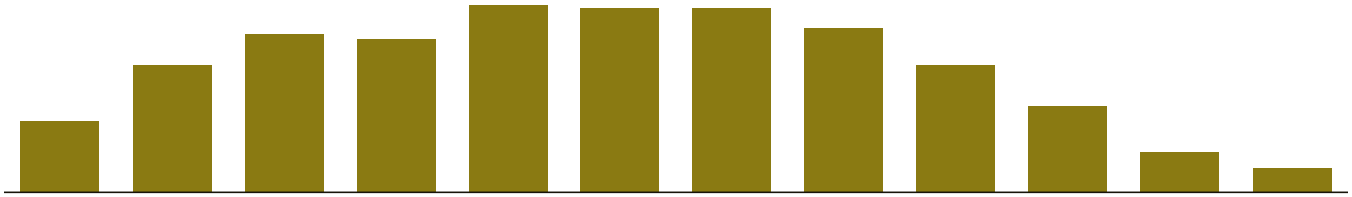

Account 8564-2177-9708
Period 1–31 August 2992
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
555,185,081 s	**+6,865,659 s**	**-25,313,176 s**	**536,737,564 s**

Date	Description	Amount (s)	Balance (s)
05 Aug	Transfer to own account: London Sector	-21,892,710	533,292,371
	The Lunar Freight Co-operative sent a sundry to pay for the postage of its annual report, addressed to you, with a note asking you to read the report before it is posted. The Bank posted the sundry and the report. The report is still unread. Ref. CIBT-2992-F54C-6		
17 Aug	ATM withdrawal: London Sector	-259,200	533,033,171
	The machine at London Sector recorded this withdrawal under the next holder's number, which ends in the same four digits as yours. The receipt was reissued with yours on it, and the other line has been cleared. Ref. CIBT-2992-BFA7-0		
21 Aug	Slippage fee (London Sector, 8 transfers)	-7,200	533,025,971
	Fees are worked to the thousandth of a second and then cut to the whole second. The 0.948 that remains on this statement is not lost; it is added to the next crossing that runs the same way. Ref. CIBT-2992-605F-9		
21 Aug	Transfer to joint account	-2,981,266	530,044,705
	The account was opened at Hall E in 2989 and has never once been overdrawn in either holder's favour. The officer says this is why the file is so short, and that a short file is a quiet sign in a joint account. Ref. CIBT-2992-F2E3-4		
22 Aug	Payroll credit: the Lunar Freight Co-operative	+4,968,777	535,013,482
	A deduction for the works canteen was entered against the works choir, which pays no levy. The canteen has been refunded in full, and the choir has asked to be told if it ever acquires one. Ref. CIBT-2992-8A35-9		
24 Aug	ATM withdrawal: London Sector	-172,800	534,840,682
	The machine's secondary keypad was used for this request rather than the primary one. Both keypads are on the same circuit. The log records the request twice and the dispensing once, which is correct, and which the auditors have said they expected. Ref. CIBT-2992-4C9B-6		
31 Aug	Interest at 4.10% APY	+1,896,882	536,737,564
	The London Sector office pays its interest in the station's own unit, which is the shorter of the two, so the same sum looks larger on the local page than on ours. The Bank has laid the two pages against each other and found the sum unchanged, though the figure has grown in the telling. Ref. CIBT-2992-B89E-2

September 2991 August 2992

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
