Date	Description	Amount (s)	Balance (s)
01 Sep	ATM withdrawal: Lagos Sector	-172,800	809,829,998
	You take exactly 2 Standard days from the machine at Lagos Sector on the 1st of each month, and ask that the notes be folded once rather than twice. The custodian has begun to fold them in advance and leave them on the tray. Ref. CIBT-3003-08ED-9		
01 Sep	Transfer to joint account	-2,981,266	806,848,732
	Joint interest is rounded to the nearest 53 seconds at the close of the Pallas Ring 10 day, and the two halves are rounded the other way. Between them they come out to the figure shown, which neither holder has ever checked. Ref. CIBT-3003-E195-6		
07 Sep	Deposit: Hall E	+63,507,456	870,356,188
	Two notes in this deposit proved to be one note, counted once at the window and again from the slip. One has been struck, and the officer asked the holder which of the two she had meant to keep. Ref. CIBT-3003-15B9-3		
18 Sep	ATM withdrawal: Lagos Sector	-259,200	870,096,988
	You always take one note more than you asked for and put it back in the slot before the machine finishes counting. The machine has never once taken it, and the Bank has entered the note as a reserve in your name. Ref. CIBT-3003-4A29-2		
20 Sep	Payroll credit: the Lunar Freight Co-operative	+4,968,777	875,065,765
	A standing salary credit from the Lunar Freight Co-operative, set up in 2998 and paid on the 20th of each month. The contract has been renewed 43 times and the figure has not moved, which the payroll office regards as its finest work. Ref. CIBT-3003-8F89-7		
30 Sep	Interest at 4.10% APY	+2,767,509	877,833,274
	The branch offers to explain the interest calculation to any depositor who asks. Nobody has asked in some years, and the branch is beginning to feel the offer is a waste of good paper. Ref. CIBT-3003-486C-7		

Closing balance, month by month

October 3002 September 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
