Date	Description	Amount (s)	Balance (s)
01 Jul	Payroll credit: Interworld Post	+716,163	40,830,584
	The 0.30 s charge on the transfer from Interworld Post has been waived, since its remitter at Singapore Sector keeps its own holidays and the Bank's charge is dropped on the days it keeps them. Ref. CIBT-2995-4304-0		
05 Jul	Slippage fee (Singapore Sector, 5 transfers)	-3,000	40,827,584
	The Singapore Sector relay has written to say it will bill your 5 crossings in days from now on, having found the Standard seconds too tidy. The Bank has agreed, and will bill you accordingly from the next statement. Ref. CIBT-2995-B2D8-7		
05 Jul	Transfer to joint account	-429,697	40,397,887
	Soren Fothergill signed the transfer slip with a flourish and you signed it plainly, and the counter has been asked which signature is the legal one. It found both, and the slip is filed under the one Soren Fothergill reads first. Ref. CIBT-2995-AD1A-4		
05 Jul	Deposit: Hall E	+1,261,851	41,659,738
	The deposit went to 8564-2680-9708 in the first instance, because its slip differed from your number by one digit in the eighth place. The slip has been checked against your card, the credit moved, and the holder of the other account has been told. Ref. CIBT-2995-EDC8-7		
25 Jul	ATM withdrawal: Singapore Sector	-172,800	41,486,938
	Interworld Post sends the monthly envelope for its pension payments to Singapore Sector marked with your number. The machine opens it, counts the notes, and pays them out on the same stroke of the concourse clock. Ref. CIBT-2995-9F02-2		
27 Jul	ATM withdrawal: Singapore Sector	-259,200	41,227,738
	The quarterly draw of 3 Standard days at Singapore Sector is paid to the holder in the presence of nobody. The machine has been asked to wait for a witness, and has declined on the grounds that it is one. Ref. CIBT-2995-AC73-5		
31 Jul	Interest at 4.00% APY	+133,714	41,361,452
	You measure the balance against the interest with a ruler on the counter, line by line, and check the last digit with your thumb. The officers have agreed the ruler is yours and have stopped asking you to put it away. Ref. CIBT-2995-233C-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
