Date	Description	Amount (s)	Balance (s)
04 Jan	Slippage fee (London Sector, 2 transfers)	-1,200	241,820,908
	Crossings from the London Sector counter are timed on the local day, which runs longer there than ours. The fee on the 2 transfers was worked on the Standard day, and the local day has been converted once, which the Bank regards as enough. Ref. CIBT-2995-2C76-3		
08 Jan	Payroll credit: the Lagrange Four Commissary	+1,285,604	243,106,512
	You have always taken your wages from the Lagrange Four Commissary in the old notes, the ones with square corners. The payroll office sends them at some expense, by a courier who is now on first-name terms with the counter. The courier has asked whether the notes could be made less square. The office has said no. Ref. CIBT-2995-DF4D-5		
19 Jan	Transfer to joint account	-771,362	242,335,150
	The joint account's balance at the close of the 19th was carried forward to the second. The auditors remarked that they had seen it done without a pause, which they found more reassuring than the sum. Ref. CIBT-2995-5C7F-2		
23 Jan	Deposit: Hall E	+10,974,215	253,309,365
	The Committee has read the deposit slip for the 23rd against the window's notebook, the night safe's log and the depositor's own count written on the envelope. All four agree, and the Committee notes it was not asked to choose between them. Ref. CIBT-2995-C57C-9		
31 Jan	Interest at 3.50% APY	+705,314	254,014,679
	The period's interest was paid a day after the rest of the statement, because the Clock Standards Board sat late on the 31st and its minutes had to be read into the record before the rate could be printed. The rate is the one the minutes approved, and the interest was paid in full. Ref. CIBT-2995-628B-3
