Opening balance	Credits	Debits	Closing balance
841,900,575 s	**+6,992,508 s**	**-2,444,453 s**	**846,448,630 s**

Date	Description	Amount (s)	Balance (s)
09 May	Transfer to own account: London Sector	-2,091,653	839,808,922
	The sundry was posted 29 days late, because the officer who signs for it was on leave on the 9th. The sum waited for her and lost none of it. Ref. CIBT-3003-D516-2		
11 May	ATM withdrawal: London Sector	-172,800	839,636,122
	The receipt for the 11th was not printed until 29 days later, because the printer at London Sector had to be told the paper was dry. The printer has since been told it is dry, and has not been happy about it. Ref. CIBT-3003-1082-1		
13 May	Slippage fee (London Sector, 8 transfers)	-7,200	839,628,922
	A clerk at London Sector asked for the instruction to be signed in ink rather than sent on a verbal request. It was sent again in ink on the 13th, and the clerk's manner is recorded in the file as thorough. Ref. CIBT-3003-8FCB-7		
20 May	Payroll credit: Cloudport Aerostat Lines	+4,607,124	844,236,046
	The largest single credit this branch has handled this year came from Cloudport Aerostat Lines. The Teller asks that it not be mentioned at the counter, and has said so in writing, which is the only instruction on your file that she has ever given that way. Ref. CIBT-3003-FD87-7		
22 May	ATM withdrawal: London Sector	-172,800	844,063,246
	Two figures were recorded for your withdrawal at London Sector, the receipt's and the machine's, and they differ by 0.990 day. The Bank has used the receipt, which you hold, because the machine cannot be asked to sign for anything. Ref. CIBT-3003-5AC4-5		
31 May	Interest at 3.40% APY	+2,385,384	846,448,630
	The Teller says the interest is correct and then asks whether you intend to be pleased by it. You do, and she writes "pleased" in the corner, beside the figure, where there is room. Ref. CIBT-3003-156E-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
