Date	Description	Amount (s)	Balance (s)
06 Jan	Slippage fee (Delhi Sector, 6 transfers)	-1,800	269,867,654
	The fee on your crossings is worked out per whole second of difference, and the difference on this route hardly ever changes. The Bank therefore set the fee once and left it, and the officer says there is nothing further to reconcile. Ref. CIBT-2995-99D7-4		
16 Jan	ATM withdrawal: Delhi Sector	-86,400	269,781,254
	The statement previously read 86,400 as the sum withdrawn. That was the sum requested. The sum paid was One Standard day, and the difference was never taken from your balance, so the figure on this line is the one to keep. Ref. CIBT-2995-2ED5-7		
27 Jan	ATM withdrawal: Delhi Sector	-259,200	269,522,054
	Asked by the Committee whether the machine at Delhi Sector is ever wrong, the Teller said it was never wrong in the way the Committee meant, only in the way a person is, and that she had decided to leave the matter there. Ref. CIBT-2995-0AB8-2		
27 Jan	Deposit: Hall E	+9,753,155	279,275,209
	The courier's road was closed for a rockfall, so the deposit reached the window 28 days late, the courier having come round by the long way. It was not the courier's fault, and the courier, who had been that way before, said so without being asked. Ref. CIBT-2995-1594-8		
31 Jan	Interest at 4.80% APY	+1,079,477	280,354,686
	The posted rate is reviewed on the 31st and posted on the 31st after, so the interest for those days is paid at the old rate. You have asked each time which rate was the old one, and each time the Teller has had to look it up. Ref. CIBT-2995-C671-2
