Date	Description	Amount (s)	Balance (s)
18 Nov	ATM withdrawal: Mars Station	-172,800	72,578,217
	The sum on this line is your expenses float from the Authority Records Office, drawn at Mars Station and accounted for on a form that asks you to name every clerk you spoke to. You listed them all, and the form has been filed without comment. Ref. CIBT-2990-D7B3-2		
19 Nov	Payroll credit: the Authority Records Office	+3,950,533	76,528,750
	The Authority Records Office sends its wage summary to the Bank at night by a runner, who arrives before the window opens and waits at the step. The summary has never arrived with a blot on it, which the officers attribute to the runner's patience. Ref. CIBT-2990-2825-1		
19 Nov	Deposit: Hall E	+42,653,525	119,182,275
	The officers have asked that your next deposit be made at the wicket beside the lifts, so that the slips can be filed with their fellows. This one was made there, and the request is noted. Ref. CIBT-2990-3722-8		
22 Nov	Transfer to joint account	-2,370,320	116,811,955
	The joint transfer shown as 2,370,320 was keyed as the sum for one holder alone. The mandate says both, and the figure has been restated so that each holder's half has its own line. Ref. CIBT-2990-0CF8-3		
30 Nov	Interest at 4.20% APY	+254,628	117,066,583
	Interest on the sum your employer, the Authority Records Office, pays into your staff savings plan. The plan's contributions are yours in law from the day they arrive, and the interest on them is calculated from that day. Ref. CIBT-2990-60DE-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
