Date	Description	Amount (s)	Balance (s)
01 Jan	ATM withdrawal: Delhi Sector	-172,800	422,091,183
	Your withdrawal of 2 Standard days at Delhi Sector was rounded the way the Bank rounds everything, which is carefully. The receipt and the account agree, and nothing further is owed on either. Ref. CIBT-2992-10A6-0		
05 Jan	Payroll credit: the Authority Records Office	+3,950,533	426,041,716
	The wage for the 5th was paid in days and the deduction for the Authority Records Office canteen in seconds, so the statement divides one sum by two units of measure. The Bank has checked the division and found the canteen to have been right all along. Ref. CIBT-2992-6253-2		
06 Jan	Deposit: Hall E	+44,835,239	470,876,955
	Each deposit you make at the Hall E window arrives in a paper wrapper folded at both ends, the way the window taught you in 2990. You have never asked for the wrapper back, and the officers now unfold it without being asked. Ref. CIBT-2992-9589-7		
09 Jan	Transfer to joint account	-2,370,320	468,506,635
	The statement had printed the holders' names in reverse order. The mandate lists them as they were written, and the statement now does the same, with the first name back in front and the second where it was first written. Ref. CIBT-2992-E193-0		
31 Jan	Interest at 4.20% APY	+1,477,923	469,984,558
	Interest accrues at the close of the Delhi Sector day, which runs longer than the day printed at the head of this statement. The period therefore holds one extra day that the label does not mention, and the Bank has elected to pay interest on it. Ref. CIBT-2992-3E45-9
