| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 02 May | Transfer to joint account | -2,370,320 | 541,201,317 |
| | When a joint share comes to a half-second, the odd second goes to whichever holder was born first. The mandate does not say which that is, and the holders have not agreed to look it up. Ref. CIBT-2994-5CFE-5 | | |
| 02 May | Transfer to own account: The Belt | -50,560,815 | 490,640,502 |
| | For the auditors: the sundry on the 2nd appears once in the Belt day book and once in the Head Office's. The Head Office line has been struck through and initialled, and the struck line stays on the page, as the rule requires, so that anyone can see it was once there. Ref. CIBT-2994-958B-8 | | |
| 03 May | ATM withdrawal: The Belt | -86,400 | 490,554,102 |
| | Carrying One Standard day across the concourse, you wear the air of someone delivering a letter you did not write. The Teller has not asked what was in it. Ref. CIBT-2994-B013-0 | | |
| 11 May | Slippage fee (The Belt, 3 transfers) | -2,700 | 490,551,402 |
| | This month's line for the Belt relay read seconds where the relay had meant minutes. The sum is 2,700 seconds, which is the relay's own figure; the Bank has written to say it was read correctly, which the relay did not expect. Ref. CIBT-2994-31FA-1 | | |
| 24 May | ATM withdrawal: The Belt | -259,200 | 490,292,202 |
| | The machine at The Belt was taken out of service for the Authority's inspection, and the withdrawal on the 24th was posted 30 days later, when the machine was returned. The Bank has noted the inspection and the withdrawal, and has paid no interest on the wait. Ref. CIBT-2994-5EAB-9 | | |
| 28 May | Payroll credit: the Authority Records Office | +3,950,533 | 494,242,735 |
| | The Authority Records Office at The Belt is paid in seconds and converts its own wages into shifts before they reach us, in a hand so neat that the Bank has never once needed to check it. The office asks only that its sums be read from the top. Ref. CIBT-2994-A13C-8 | | |
| 31 May | Interest at 4.20% APY | +1,902,500 | 496,145,235 |
| | The first deposit on this account came in a wallet worn to the shape of one hand, and the Bank still has the container on file. It is the only part of that deposit that was never credited. Ref. CIBT-2994-B650-7 | | |

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
