Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
458,551,198 s	**+5,555,462 s**	**-68,211,861 s**	**395,894,799 s**

Date	Description	Amount (s)	Balance (s)
04 May	Slippage fee (Kepler Ring, 8 transfers)	-2,400	458,548,798
	Your 8 transfers waited 30 Standard days at the Kepler Ring relay, which had decided to hold all crossings until its clock had been checked against a second clock. The second clock was found in a drawer, the transfers were released, and the fee is charged for the crossings and not for the drawer. Ref. CIBT-2997-4AF8-2		
06 May	Transfer to own account: Kepler Ring	-65,407,141	393,141,657
	The exchange fee was held for 31 days, because the rate posted on the day of exchange was printed on a notice that had been put up a day early. The notice has been taken down. The rate it showed is the one on this statement. Ref. CIBT-2997-D258-6		
10 May	ATM withdrawal: Kepler Ring	-172,800	392,968,857
	The machine at Kepler Ring keeps the local day, so the withdrawal shown on the 10th was made on that world's 10th, which runs a day ahead of this statement. Both dates are printed on the receipt, and both are correct. Ref. CIBT-2997-1A44-7		
25 May	Transfer to joint account	-2,370,320	390,598,537
	A joint standing order was printed under the account it came from rather than the account it was paid to. The order itself is correct, and the printer has been told which side of the page the money belongs on. Ref. CIBT-2997-5C11-7		
26 May	ATM withdrawal: Kepler Ring	-259,200	390,339,337
	Your request at Kepler Ring waited behind 3 others on the 26th. The machine served them in the order they came in, which the Bank considers the fairest order and certainly the slowest, and your cash was counted out at the end of it. Ref. CIBT-2997-76CC-2		
30 May	Payroll credit: the Authority Records Office	+3,950,533	394,289,870
	A deduction of 3,950,533 for a staff canteen that closed in 2994 is still taken from the wage on the 30th. The canteen's last manager writes each spring to say that the lunches are still in the books, and the firm has agreed that they are. Ref. CIBT-2997-8822-1		
31 May	Interest at 4.20% APY	+1,604,929	395,894,799
	The Authority Records Office asked the Bank to waive the fee on its share of your interest, on the grounds that the interest had already been taxed in its own offices. The Bank replied that it does not tax interest, and waived the fee anyway. Ref. CIBT-2997-DAD4-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
