Unit 239, Pallas Ring 10

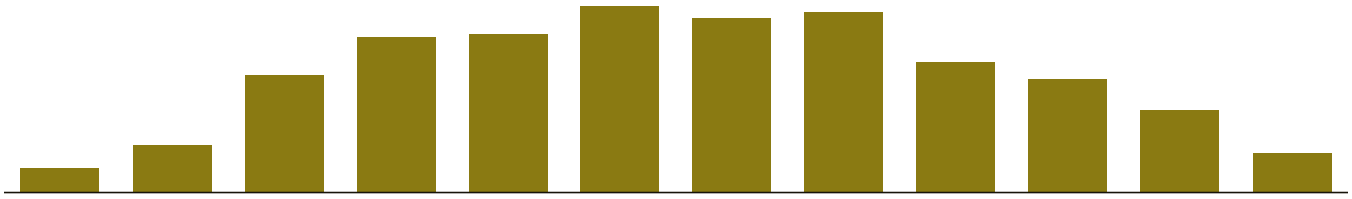

Account 8564-3113-8564
Period 1–30 November 2998
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
483,141,715 s	**+5,641,529 s**	**-48,536,397 s**	**440,246,847 s**

Date	Description	Amount (s)	Balance (s)
08 Nov	ATM withdrawal: New Orleans Sector	-86,400	483,055,315
	Your access code was reset at the Hall E counter at your request, and the machine has been told that the old one was a habit. Ref. CIBT-2998-3FBA-2		
12 Nov	Payroll credit: the Authority Records Office	+3,950,533	487,005,848
	The auditors asked why a wage credit from the Authority Records Office was split across two accounts at Hall E. The split followed the firm's written instruction, which the auditors have checked against its register of signatures. Ref. CIBT-2998-660D-4		
20 Nov	Transfer to own account: New Orleans Sector	-46,074,277	440,931,571
	The exchange fee was held for 30 days, because the rate posted on the day of exchange was printed on a notice that had been put up a day early. The notice has been taken down. The rate it showed is the one on this statement. Ref. CIBT-2998-1B1E-3		
23 Nov	Transfer to joint account	-2,370,320	438,561,251
	The sum to 8564-7101-9237 is 2,370,320 on the first of each month, except in months when Quill Prendergast's surname has more letters than yours, when it is 27 d 10:25:20. The rule is in the file, and nobody has counted the letters. Ref. CIBT-2998-2DAB-9		
28 Nov	Slippage fee (New Orleans Sector, 6 transfers)	-5,400	438,555,851
	You time each transfer against the station clock in the window and tell the officer the gap before she has read it out. You have been right on 6 occasions this year, which the officer regards as a respectable average for a customer with a watch. Ref. CIBT-2998-83DD-3		
30 Nov	Interest at 4.20% APY	+1,690,996	440,246,847
	You have collected the interest statement in person on the first working day of every period since 2996, and the officer now sets the envelope out before you arrive. Nothing about the envelope has changed, which the officer says is how you like it. Ref. CIBT-2998-4E7E-5		

Closing balance, month by month

Highest 588,337,589 s · lowest 425,008,893 s

December 2997 November 2998

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
