Date	Description	Amount (s)	Balance (s)
07 Aug	Slippage fee (Io, 5 transfers)	-4,500	480,343,254
	The Authority Records Office's payroll office worked out your share of the slippage to the second and sent its workings to the Bank. The Bank compared them with its own and found the firm one second more generous. It has accepted the firm's figure, since it is the first generous one the Bank has been sent this year. Ref. CIBT-3000-ACDE-4		
15 Aug	ATM withdrawal: Io	-259,200	480,084,054
	The cash at Io came in on the supply boat, and could not be paid until the boat had docked and its cases had been counted. It was paid 28 days after the request, which the boat's master describes as the quickest arrival of the season. Ref. CIBT-3000-25D8-2		
15 Aug	Deposit: Hall E	+29,998,447	510,082,501
	The Io desk reckons its deposits in a day so short that a sum sealed at breakfast may be counted before the envelope is dry. The window credits the sum when it is counted, and the Io desk has asked that the envelope be left to dry anyway. Ref. CIBT-3000-E1D2-1		
17 Aug	ATM withdrawal: Io	-86,400	509,996,101
	Carrying One Standard day across the concourse, you wear the air of someone delivering a letter you did not write. The Teller has not asked what was in it. Ref. CIBT-3000-A693-2		
30 Aug	Transfer to joint account	-2,370,320	507,625,781
	The Authority Records Office asked whether its contribution could arrive in the same envelope as the holders' own wages. The envelope came back with a note saying it was the wrong size for a mandate, and the firm has since sent a larger one. Ref. CIBT-3000-B0D0-5		
31 Aug	Interest at 4.20% APY	+1,681,217	509,306,998
	The interest for the 31st waited at the Io relay while its operator finished a letter to his mother, which the relay regards as ordinary business and the Bank regards as the operator's own affair. The interest was released when the letter was sealed. Ref. CIBT-3000-C978-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
